

Learning Foundations is a pre-school enrichment session designed to spark a curiosity for learning. Basic readiness skills will be covered depending on each child's needs and background knowledge. Learning is a play-centered, interactive approach.

Including, but not limited to:

- Colors and Shapes
- Number Sense and Counting
- Alphabet Recognition
- Phonemic Awareness
- Verbal Expression
- Science and Nature Discovery

Individual Sessions are \$25/hr

Group Sessions of 3-4 are \$15/hr/student
